RE: Temporary Committee on cost-saving between County  
and City of Elmira (Res. # 19-148)

Dear Chairman Manchester:

Upon my request, the County Legislature created a Temporary Committee, (Resolution 19-148), to study cost-saving measures and ideas for the County and City of Elmira, and forward any recommendations to my office.

The Committee, in the past five months, has diligently been meeting and providing me with monthly progress reports. Furthermore, on July 22, 2019, the Committee Chair, John Burin, submitted the Committee's comprehensive Final Report, with recommendations to me.

Intrinsically, please accept this letter as my notice to the County Legislature for the discontinuance of this Temporary Committee, effective immediately.

Notably, on July 22, 2019, I was informed that the Committee members, or the Committee, are going to announce their recommendations to the public via a presentation tentatively scheduled for August 6, 2019. This meeting is not being conducted at the request of, or on behalf of the Office of County Executive. I think it's important to point out that no discussions were held with the City of Elmira or any other municipality that may be affected by recommendations outlined within the report.

Sincerely,

Christopher J. Moss  
County Executive
